2. MANUFACTURER/AUTHORISED REPRESENTATIVE

Name: Tapco Europe Limited (trading as Tapco Roofing Products)
Address: Unit 32 Tokenspire Business Park, Hull Road, Woodmansey, Beverley, East Yorkshire, HU17 0TB
Manufactured at: 4057 South Oak Street, Metamora, Michigan, 48455, USA

This declaration is issued under the sole responsibility of the manufacturer

3. OBJECT OF THIS DECLARATION

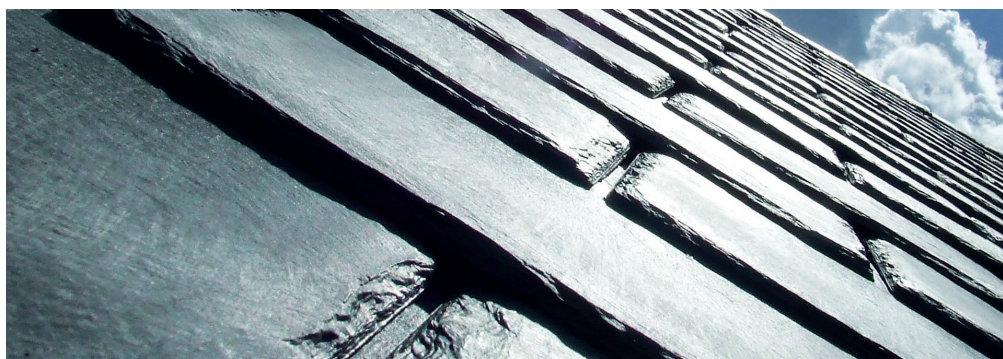

Product: TapcoSlate Classic are compression-moulded slates manufactured from a blend of recyclable polypropylene, limestone, fillers (including fire retardants) and pigments. Ridge caps manufactured to the same formulation are also available for use with the slates.

Specification: Dimensions (mm): 445 by 305
Nominal thickness (mm): top edge 7, bottom edge 3.5
Average density (kg cm⁻³): 1.32
Installed weight (kg m⁻²): 13.5
Colours: Stone Black, Pewter Grey, Red Rock, Olive Green, Plum, Brick Red, Chestnut Brown, Mist Grey, Brandywine, Grey/Black Blend, Sage Green, Evergreen, Ash Grey, Granite and Graphite.
Finishes: Six embossed pattern finishes are available.

Slight colour variations may exist between batches and the product should be randomised on site to achieve a consistent appearance when installed.

The slates are marked with blind holes for installation.
The slates are for use as a weatherproof finish to pitched roofs (see Figure 1).

Figure 1

4. CONFORMITY

The object of the declaration described is in conformity with the relevant UK Statutory Instruments (and their amendments):

Designated according to The Construction Products (Amendment etc.) (EU Exit) Regulations 2020

AVCP According to UKAD No. 220006-00-0402 and Annex V of the Construction Products Regulation (Regulation (EU) 305/2011 as brought into UK law and amended) the system of assessment and verification of consistency of performance (AVCP) 3 applies.

5. STANDARDS

References to the relevant designated standards used or references to other technical specifications in relation to which conformity is declared:

BS EN 13501-5 2016 Defines a harmonized procedure for the classification of roofs/roof coverings exposed to an external fire. This classification is based on the test methods and the relevant field of application procedures. The product achieved a rating of B_{ROOF}(t4).

6. APPROVED BODY

Body Name: British Board of Agrément
Body Number: 0836
UKTA Number: UKTA-0836-22/6064 of 21/04/2022
UKAD Number: 220006-00-0402
